

# TOOLKIT: Creating a Club for Everyone

Use this toolkit to assess how your club can start Raising the Game

**Audience:** Cricket club committees

**Purpose:** to support discussions and actions within your cricket club that can help create an inclusive environment and help you create a *Club for Everyone*.

**What's included:** This toolkit is in three parts to help have focused conversations that start with the basics. Clubs are encouraged to progress through each part at their own pace.

Part 1: Tackling  
Discrimination

Part 2: Welcoming &  
Inclusive Club

Part 3: Diverse &  
Inclusive Leadership

## How to use:

1. Individually read and reflect on the questions provided
2. Schedule meetings to discuss the questions as a group, focusing on one of the three parts each time
3. Through the discussions develop actions / next steps and assign owners
4. Update the club's EDI action plan and communicate plans with the club members
5. Hold each other to account for actioning on the plan by reviewing the questions on a regular basis

**Tip:** If you aren't able to answer a question without making an assumption, seek out someone who can help you understand the answer. We want to avoid making assumptions at all times, and ensure all voices are heard and represented.
